Football fans worldwide are gearing up for this year's 2010 football World Cup, which is being held in South Africa. In what could be called 'the greatest show on earth' the best teams in the world are ready to compete in what will be the 19th Football World Cup. The opening ceremony in Johannesburg on June 10th will include a concert featuring hot international acts including; the Black Eyed Peas, Alicia Keys and Shakira. It will also feature appearances by popular African artists and appearances by past and present football legends. The concert takes place at the newly-renovated Orlando Stadium in Soweto. Jerome Valcke from FIFA said: "We are thrilled to have a concert of such magnitude and performing talent raise the curtain on the first FIFA World Cup in Africa." 'The beautiful game', as it's also known, will actually kick off in Johannesburg on Friday 11th June. Matches will be played across South Africa including Cape Town, Durban, Kimberley, Port Elizabeth and Pretoria.

Johannesburg's mayor Amos Maseko: "Africa's time has come! South Africa is ready!" The city with its distinctive African pulse is ready to show the world its unrivalled potential and opportunities. It will play a key role in the cup, hosting many matches including one of the quarter finals. Johannesburg will also be the venue for the final on Sunday 11th July. Vital preparations have been in progress for some time. This includes match venues being upgraded, the transport infrastructure being able to cope with the volume of people expected in the city and state of the art communications installed for the international media. Teams taking part include from Europe: England, France, Holland, Spain and Slovakia; from the Americas: the USA, Brazil, Argentina and Mexico; from Asia: North and South Korea and Japan; from Australasia: Australia and New Zealand; from Africa: South Africa, Algeria, Ghana and Nigeria. The games are likely to draw record worldwide TV viewing audiences. Altogether there are a total of 32 teams taking part. They are split into eight groups with four teams in each. Only two teams get through to the final. There can only be one winner. The question is - who is going to win?

1. **Football World Cup 2010:** Where is the 2010 FIFA World Cup taking place? Think of three other things you know about the 2010 FIFA World Cup. What is FIFA? (*Teachers see p6*) Go round the room swapping details.

2. **Geography: South Africa:** Where is South Africa? What is its capital? (*Teachers see p6*) What countries and seas surround it? What countries are within it? Draw a map on the board or **look on Google maps** to help you.

3. **Dictation:** The teacher will read four to six lines of the article slowly and clearly. Students will write down what they hear. The teacher will repeat the passage slowly again. Self correct your work from page one - filling in spaces and correcting mistakes. Be honest with yourself on the number of errors. Advise the teacher of your total number of errors.
